

RESOLUTION NO. 02052013

Between the Texas Colorado River Floodplain Coalition and
Florence, Texas

TO APPOINT members of the Executive and Technical Committees of the Texas Colorado Floodplain Coalition

1. The Executive Committee is composed of elected officials from each county/community. This committee serves as the oversight committee and provides overall guidance to the Technical Committee.
2. The Technical Committees are composed of county/community staff that typically administer floodplain management activities at the local level. The Technical Committees are organized into four geographic regions in order to encourage participation by providing shorter travel distances, smaller interactive groups, and common floodplain issues. These committees serve as the technical guidance for the Texas Colorado River Floodplain Coalition.

STATE OF TEXAS: City of Florence

WHEREAS, Florence, Texas has agreed to participate in the Texas Colorado River Floodplain Coalition; and

WHEREAS, the Interlocal Agreement to maintain and operate the Texas Colorado River Floodplain Coalition provides for each participating community to appoint representatives to the Executive and Technical Committees of the Coalition;

NOW, THEREFORE, BE IT RESOLVED that this City Council hereby:

Appoints the following representatives to serve on two committees, one executive and one technical, to carry out the duties and responsibilities of these committee members as provided for in the Interlocal Agreement of the Texas Colorado River Floodplain Coalition; and
